### Talk on Spirit Set Sunday by City's Scientists

Why spiritualization of thought is essential to the peace and progress of mankind will be explained Sunday at First Church of Christ Science, 1750 Manuel Ave.

Keynoting the lesson-sermon on the subject "Mortals and Immortals" is the Golden Text from Romans (8:6), "To be carnally minded is death; but to be spiritually minded is life and peace."

In the Bible passage to be read from John's Gospel (3:3, 6, 7) Jesus tells Nicodemus, "Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God. . . . That which is born of the flesh is flesh; and that which is born of the Spirit is spirit. Marvel not that I said unto thee, Ye must be born again."

A citation included in the sermon from "Science and Health with Key to the Scriptures" gives these words of assurance by Mary Baker Eddy, "Progress takes off human shackles. The finite must yield to the infinite."

"Advancing to a higher plane of action, though rises from the material sense to the spiritual, from the scholastic to the inspirational, and from the mortal to the immortal."
